

HUMAN RIGHTS AND TRAFFICKING POLICIES

This website, operated by DTI Services, Inc. and DI Serve Limited, maintains a zero-tolerance policy for human rights violations including human trafficking and child sexual exploitation. We are wholly committed to raising awareness of and combatting these issues. As a private online business that chooses to be conscientious of this problem, we pledge to implement internal anti-trafficking initiatives and maintain advocacy efforts to battle global human trafficking. In the event we become aware of any incident of trafficking, it is our corporate policy to take swift internal action and cooperate enthusiastically with local and international law enforcement officials assigned to investigating this vile abuse of human rights.
